Education re-engagement program for young people

22472VIC Certificate I in General Education for Adults

ReFresh is for adolescents between the age of 15 and 17 years old who are not attending school on a regular basis or have completely disengaged from education. ReFresh provides an educational alternative to mainstream secondary school. The program focuses on enhancing numeracy, literacy, and digital communication skills and provides a fundamental foundation for learning, by building a platform for students to engage and achieve. The interactive learning model together with the small class size greatly assists in building confidence and motivation.

ReFresh gives students strategies to shift attitudes and behaviours that may be barriers to success in the classroom, empowering students to make the most of education. One of the key success factors of the program is the wrap around support provided by the teaching and youth worker team.

The Program provides students with a wide range of on-going educational options and through successful completion, students are eligible for entry into VCE Vocational Major, TAFE and/or return to mainstream school.

At Sleeping Star Productions we believe every child is a Sleeping Star waiting to be woken. We aim to be an outstanding children's amateur theatre group encouraging children to follow their passion for theatre and performance. We encourage all our children to follow their passions whether that be as part of our cast or even our crew. Sleeping Star Productions is a non-for-profit organisation - we run solely on the work of our volunteers as well as our parents who all play a huge part in helping us operate. However there is always a cost for putting on a production. Our fees are kept as low as possible. All children between the ages of 9-14 years interested in participating in Sleeping Star for 2024 should attend our Information Night to book an audition. At Sleeping Star we are all-inclusive so we hold auditions not to find any exceptional talent but to give the children a total theatre experience right from the start.
